The event at the Kildara Centre will focus on the relationship between the Irish Saint, Brigid, and the rituals, traditions, and mythology that lie beneath the construction and usage of the harp in the ancient Celtic world. It will also provide an opportunity to hear the music of these amazing instruments and to meet them 'up close.' Bookings and enquires about the event can be directed to the Kildara Centre on 9509 7906 or 9509 6624.
