

Journey to belonging

A short program

for those who are experiencing transition

Birth, death, marriage, caring for a partner, death of a spouse or loved one, divorce, separation, children leaving the nest, moving one's home, realising that one is growing older....

are all major transitions in our lives

Such transitions can be a huge challenge in one's journey

Through storytelling and reflection in a group, a question such as "Where has God been present to me in this time?" will help participants to find deeper meaning in their present lives.
