

The Spirit of Australia

Our identity as Australian is dynamic,
forever evolving ...

Each person's connection with this land,
reveals a unique story...

Our inner journeys call us to engage in dialogue
with our cultures of origin and the 'spirit of place'
- our relationship with this primordial land

You are invited to a day of reflection and sharing,
Which gives time and space
to explore the 'sacred': the 'soul' of Australia
& our experience of God as we live together in this land.

*Participants are asked to bring along an Australian poem, song,
painting... precious to you, to share with the group as part of our
reflection.*
